

## Evaluation of Winter / OT. & Ministry Reports

Music: Music for OT is very appropriate for the readings of the Masses. There will be a new music setting for Lent.

Environment: Evaluate the number of flowers used for Christmas; maybe use less

The Nativity and the placement of the Nativity received positive comments.

Decorating for Lent will be February 28. The gnarly oak has been acquired. The palms for Palm Sunday and the Easter flowers have been ordered. Environment Committee will check on a Lemon Leaf Garland to maybe use on the cross for the Easter Season instead of the white cloth.

Sacristan: Father Steve commented that the hosts we are currently using are "fragile". Marlys will contact the Benedictine Sisters regarding this. Marlys will also order the large 9 inch hosts to be used on Holy Thursday and the Easter Vigil Masses from St. Pat's Guild as they are not available through the current host supplier.

Communion Ministers: The 8 a.m. Teams are in need of more Communion Ministers. A request will be made asking for EM's from other teams if they are at this Mass to check with the captains to see if help is needed. Possibly include this in the bulletin or include in Father's announcements about the need for more EM's at this Mass.

No reports from Lectors, Ushers, Greeters, Adoration, Pastoral Council.

Next meeting scheduled for Tuesday, March 28, 2017, 5:30 p.m.
