Administrative Report - Todd Wentworth noted that fiscal year end is coming up on June 30th. The parish will be using new offertory envelopes, obtained at a lower purchase cost. Every registered parishioner (family) will receive envelopes unless they inform parish staff that they do not want them. They are looking at online registration and hope to have it implemented by mid-August. It can be used for online giving, event registration, faith formation and possibly school registration.

Todd said they have been working on cleaning up the registered membership list, removing duplications and people who are no longer members.

A Parish Mission has been scheduled for October 19th. Mark Price will be the speaker.

Area Catholic Community – Rita Winters reported that a meeting was held this past week. They are building a foundation for the group and will have short-term and long-term goals set by December.
