

St. Mary's Little Saints 2020-2021

(Coordinator: Julie Desautels 491-7089)

October, November and December - Materials and support will be provided monthly for parents to teach their children at home.

During Advent we will be collecting baby supplies to donate to Life Connections, our local crisis pregnancy center.

Look for donation bins in the Commons Area at church.

We will re-evaluate in December if we will be meeting onsite for the remainder of the Little Saints year. We will communicate our decision with you at that time!
