

# December 2021

The month of December is dedicated to the **Immaculate Conception** which we celebrate on **December 8<sup>th</sup>**. This is one of our holy days of obligation and celebrates Mary's conception without sin. There is a popular idea that the day refers to the conception of Jesus by the Virgin Mary. It doesn't. It is actually the conception of Mary herself. Although she was born in the natural biological manner, her conception is believed to be 'immaculate' by Catholics because God intervened, relieving Mary of original sin.
