Come to the Water

CATHOLIC COMMUNITY

St. Nicholas, Belle River | Immaculate Conception, Osakis | The Church of St. Mary, Alexandria

Twenty-sixth Sunday in Ordinary Time | SEPTEMBER 25, 2022

By way of introduction, I am Kathy Fischer, Faith Community Nurse (formerly known as Parish Nurse), according to the American Nurses' Association (ANA). The definition of Faith community nursing is the specialized practice of professional nursing that focuses on the intentional care of the spirit as part of the process of promoting health and preventing or minimizing illness in a faith community. The faith community nurse (FCN) is knowledgeable in two areas; professional nursing and spiritual care. As a member of the staff providing spiritual care in the faith community, the goal of the FCN is the protection, promotion, and optimization of health and abilities; prevention of illness and injury; and responding to suffering in the context of values, beliefs, and practices of the faith community. The first certification program for FCNs was started in 1979 by Rev. Dr. Granger Westberg in St. Louis, MO. The Church of St. Mary has had an FCN on staff since that time. Eileen Eiser was one of the first FCNs in Alexandria, I have been fortunate to continue this ministry since 2004.

Faith Community Nursing in action includes visits to nursing homes, hospice clients, homebound parishioners, and post-hospitalization/injury, and families after a loss. Programs developed and coordinated include: The Tapestry of Faith, Community of Compassion, Faithfully Fit Forever, and Head, Heart, and Hands in Service. Parish wide Food Safety Training oversight and the AED program are also the responsibility of the FCN. Another important facet is involvement in the community to increase awareness of resources for parishioners and to refer to those support services as needed. Health teaching and health promotion are also important facets of the FCN role. Continuing education is a requirement, as is a valid nursing license and liability insurance. The preferred minimum preparation for an FCN is a baccalaureate or higher degree in nursing. FCN nursing interventions are also captured via a computerized documentation system.

Many dedicated volunteers ensure the aforementioned programs are possible. Approximately 40+ volunteers are directly involved in FCN ministries. The Community of Compassion ministry volunteers have most recently been exploring and researching programs regarding loss and bereavement. We realize loss is the fact or process of losing someone or something. Many types of losses can evoke a response, these responses differ from person to person and differ in duration, depth, and complexity. Losses may include categories of loss related to relationships, life transitions, and health.

A Hope and Resiliency After Loss seminar is scheduled for Thursday, October 6, 6:30-8:30 pm in the Great Hall at the Church of St. Mary. Types of loss, reactions to loss, and strategies to deal with loss will be discussed. Strategies to increase resiliency will be presented as well. The seminar is free of charge, no registration is required.

A new bereavement support group called Seasons of Hope will begin on October 13, 6:30-8:30 pm in the St. Mary's parish office. Seasons of Hope is a Christ-centered support group for any parishioner within the ACC who is mourning the loss of a loved one. This program meets for six consecutive weeks. Contact Kathy Fischer at 762-2320 or the parish office at 763-5781 for more information.

October is Marathon Month at St. Mary's School

The Minnesota Marathon for Non-Public Education designates October as a statewide public relations activity for all Christian schools. By participating, we celebrate our Catholic identity and our commitment to serve the community.

To participate in a Marathon of Service, each student (or family) is asked to complete a service project or act of kindness during the month of October. We have some school families who are looking for projects to do for the Marathon.

If you need assistance or know someone who needs help with raking this fall, please contact Mrs. Flaten in the school office. The names will be taken and placed on a service list and we will do our best to help those in need.

The students are blessed to be part of a parish community who so generously supports them with their education, and this is one way they can share their time and talent to give back.

SUBSTITUTE TEACHERS NEEDED

Please contact Mr. Sladek at 763-5861.
