

THE CARING & SHARING ROOM

2022 Annual Report

OUR MISSION

Our mission is to collect, store, and provide used furniture and basic household items in good condition from community members and share with families in need in Douglas County through referrals from approved community service and crisis agencies.

COORDINATORS

Brian and MaryAnn Langager who became coordinators November 1, 2020 continue in this role.

Teach me true generosity. Teach me to serve as you deserve. To give without counting the cost, to labor without seeking rest, to sacrifice myself without any thought of reward, save the knowledge that I have done your will.
