*Our Mission:*

To build God's Church across generations  
by living the Eucharist.

## Liturgical Art & Environment

### WHO ARE WE?

This group of creative and industrious "busy bees" are responsible for all the behind-the-scenes details that visually create a worship space. Themes of each liturgical season are reflected through the use of color, fabric, flowers/plants, banners, lighting, statuary, sacred images, and many other signs and symbols.

### WHO CAN VOLUNTEER?

Volunteers of all ages are welcome.

Artists, cleaning crews, plant caretakers, seamstresses, floral arrangers, organizers, writers, those who can lift heavy (and not so heavy) items, carpenters, designers, and anyone of any age who would like to help decorate and maintain the church.

People willing to learn about the liturgical seasons and feast days and collaborate with committee members to create an environment that welcomes and inspires worshipers.

### TIME COMMITMENT

1-2 hour commitment per project.

### HELPING HANDS ALWAYS NEEDED

Extra help is always needed and welcomed, especially at Christmas and Easter time. For more information to get involved:

- email [Ivanoverbeke@stmaryalexandria.org](mailto:Ivanoverbeke@stmaryalexandria.org)
- call Luke VanOverbeke at 320-460-5339
