2. Review of previous meeting Minutes- Feedback on the Eucharistic experience was requested by Father Fred but due to limited meeting attendance by committee members the group census was to discuss this at our first official meeting in August.

Father Fred and others discussed anointing of the sick being started and after discussion with members Father Fred will meet with Father Matthew to start this on a regular basis possibly 8am mass on Sundays once a month

3. Open Forum

Corpus Christie Discussion and ideas are being considered for next year which Fr Matthew will update committee once they are finalized

Fr Matthew will provide an review of Dedication Day at next meeting

Discussion meeting dates, JULY will be no meeting and it was recommended to verify our official meeting schedule for

the coming year and consider changing meeting date if Luke has a conflict.

No Show concerns for various Ministries, Discussion focused on each of the ministries ways of handling no shows, lectors and sacristans were a concern because of those ministries are individuals and not teams like EMs and Hospitality. Families for the offertory procession are not always checking in before mass. The group recommended at our next meeting to discuss and develop ideas to reduce this issue. Ideas discussed included team captains being aware of who is responsible for each ministry on their assigned date, Possibly print a master list for the sacristy that lists these individual responsibilities, MSP app should be checked in advance by Captains, It would be helpful if Captains would verify all ministers are in attendance for each responsibility

Fr Matthew reviewed the current process of the church crucifix and there was a concern raised by an individual and it was noted the diocese committee assigned to church renovations was reviewing St Marys request for a replacement of the crucifix

The committee thanked Fr Rick for his service and wished him the best as he moved to his new assignment in Wadena

Desiderio Desideravi was a group discussion and completed Closing Prayer
