St. Nicholas Liturgy Committee

Date: 10/25/24

Attendees: Fr. Matt, Fr. Dan, Mary Landowski, Mary Bakker, Joyce Waldorf, Mike Ponicki

- The primary focus for this first meeting wound up being the taking care of our instruments.
- We have an electrician parishioner who is super involved, he put a blocker on the humidifier breaker so people don't shut it off.
- Going to look into getting new covers for instruments, perhaps do some re-tuning, have Luke look over organ condition.
- Also had discussions about the feasibility of one day having a common hymnal across the ACC, one which satisfies everyone.
- Some assorted discussion about Mass logistics, altar clothes, new albs, and so forth.
