**Attendees:** Fr. Dan, Mary Landowski, Mary Bakker, Joyce Waldorf, Dick Welder, Mike Ponicki

**Next Meeting:** Sometime before Lent, roughly quarterly moving forward.

We had lots of great discussion items, including:

- On Luke's schedule to come out and look at the condition of the organ.
- Discussion on getting a bulletin entry to get more singers, with an invitation to Christmas practice.
- Going to pursue doing some cleaning of the Sanctuary, starting with the High Altar cloth; Mike to investigate.
- Conversations about getting copies of the music St. Mary's uses for funerals and weddings over to St. Nicholas.

We also acknowledged that we had completed a lot of items recently, such as:

- Had a blocker put on the panel so that the loft humidifier wouldn't get shut off.
- Had a visit from the piano tuner to ensure that everything is sounding its best.
- Completed some testing with our vigil candles, to ensure they burn long enough for the purpose.
